B. Additions/ Revisions to Agenda

C. Gov't Relations

1. Forum on Proposition D October 23 start 10:00AM at Oaks North Community Room was approved by the community council.  
Whom will be the pro(s) and con(s)? Publicity, forum moderator, etc
2. Trash issue in 2 areas of Westwood and parts of Bernardo Heights going from free to charging for pickup.

D. Public Utilities

1. Community Council approved the formation of an adhoc committee on water issues at the August 26 , 2010 meeting. Whom should be on the committee? How large shall it be?  
Need to appoint/nominate a chair of committee. Need a mission statement, define scope of committee.
2. SDG&E proposal for charging more for electricity at peak times. Lower power usage in San Diego means higher rates.  
Do we contact UCAN's Michael Shames to make presentation, or just stay attentive to situation?
3. Poway school board voted unanimously to approve contracts with Verizon Wireless and AT&T to place cell phone towers at Del Norte High School in 4S Ranch.  
Cell phone towers are a hot button issue to many people. Do we watch and monitor citizens reactions and plans or go further?
