

Government Relations (& Utilities) Committee

Minutes of 10 September 2009, 7pm, Seven Oaks Community Center

1. Meeting called to order at 7pm.

In attendance: Joe Dirks, Deborah Goodrich & John Amodeo.

2. Minutes of Aug.09 meeting approved as presented.

3. Status Review – Action Item:

Recycled Water: Joe provided copy of e-mail (requesting information on obtaining recycled water for Rancho Bernardo) sent to Kelly Batten on 8/30. Hand delivered copy to follow.

4. Status Review – Potential Items:

Water Dept, bill payment process – dropped from Potential Items list after Joe presented Direct Debit forms and procedure obtained via telephonic inquiry to Water Dept.

Palomar Pomerado Hospital service to Rancho Bernardo – added to Action Items as John will work on securing PPH presentation to RBCC.

5. New Business – Up coming SDG&E process of installing new meters discussed, but not added as Action or Potential Item. Consensus was - those who have special needs should make them known to SDG&E and the general installation procedure, outlined in the press, should not be an unreasonable solitary burden to most affected.

Remaining potential GR/UC goals:

800# for Water Dept.

SDG&E solar rebate program

General election informational meetings.

Meeting adjourned – 7:30pm
