

RBCC AD HOC COMMITTEE
DOWNTOWN RANCHO BERNARDO
SDGE UTILITY BOX
BEAUTIFICATION PROJECT

BRIEF OVERVIEW

The first meeting of this Ad Hoc Committee will be
WEDNESDAY, JUNE 11, 2008 AT 3 PM
At the Bernardo Heights Community Center

San Diego Gas & Electric (Sempra Utilities) grants Special Painting Requests to city councils authorizing them to coordinate the painting of pad-mounted transformers and equipment in the downtown business area.

At the regular meeting of the Rancho Bernardo Community Council on April 24, 2008, an Ad Hoc committee was established to coordinate the project.

The mission of this committee is to establish guidelines for the artistic painting of the utility boxes and develop a plan for implementation.

A committee is being assembled which includes artists, business owners, council members and interested community citizens.

For more information about this Ad Hoc Committee, please email council person Janet Atkin at janetatkin123@aol.com
